TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3, SCSS, SQL, Java (Basic)
Frontend: React.js, Next.js (Basics), Tailwind CSS, Bootstrap, Responsive Design, DOM Manipulation
Backend: Node.js, Express.js, RESTful APIs, WebSocket
Database: PostgreSQL (Beginner), MongoDB, MySQL
Cloud & Tools: Google Cloud Platform (Basics), Firebase, Git, GitHub, Vercel, Render
Core Concepts: OOPs, DSA, Problem Solving, Clean Code Practices.

PROJECTS

StreamWave – Real-Time Video Conferencing Platform(ongoing)
React, Node.js, Express, MongoDB, Firebase, WebSocket
• Developing a real-time communication platform with group video calls, chat, and screen sharing.
• Implementing WebSocket-based architecture for seamless live interaction and low latency.
• Integrating Firebase for secure authentication and focusing on performance-driven scalability.

ModeLuxe – Fashion & Modeling Agency Website
- Designed a mobile-first website using HTML, CSS, and JavaScript with an intuitive interface.
- Implemented responsive layouts and optimized loading times for smooth performance.
- Added interactive elements like sliders and form validation to enhance UX.

MovieVerse – Dynamic Movie Landing Page
- Created a responsive, cinematic landing page using HTML, CSS, and JavaScript.
- Displayed trending movies using dynamic components and animations.
- Optimized performance and layout for different screen sizes using Flexbox and Grid.

Beyond Snack – Chips Brand Website
• Developed a fully responsive marketing site using SCSS for clean, modular, and maintainable styling.
• Applied accessibility and performance best practices to ensure a smooth user experience.
• Designed a mobile-first layout with minimal JavaScript, focusing on scalability and visual consistency.

Earphone Product Website
• Built a responsive product landing page with SCSS and HTML5, emphasizing precision and clarity.
• Implemented smooth animations and transitions for an engaging browsing experience.
• Optimized structure and assets to achieve faster load times across all devices.

EXPERIENCE

Web Development Intern - InternPe – September 2024 – October 2024
- Designed and implemented responsive UI components for a multi-user notes system.
- Focused on frontend logic, layout consistency, and session-based authentication flows.
- Enhanced UX through clean navigation and optimized templates.

EDUCATION

Bachelor of Engineering (B.E.) – Information Technology
Shree L.R. Tiwari College of Engineering, Mumbai University - CGPA: 7.3 | (July 2022 – June 2026)
Higher Secondary Education (Class XII): 72% (May 2021 – March 2022)
Secondary Education (Class X): 74.67% (May 2019 – March 2020)

CERTIFICATIONS & DESIGN EXPERIENCE - Ethical Gen AI – Learned responsible, transparent AI use in

software & Achievements – Multiple college awards for posters, UI layouts, and promotional design.
